SLOPE

INTRODUCING THE PINLOC 5000iPS

Boasting both intelligence and Pulse, featured in the Pinloc 5000iP, the SureShotLaser Pinloc 5000iPS also offers intuitive Slope technology. The Slope feature cleverly takes into account the rise or fall of your shot and provides you with a more real-life distance measurement. Finished in an eye-catching black with gold highlights, the Pinloc 5000iPS delivers maximum features so you can Know The Distance without exception.

Slope can be enabled or disabled by the user.
